Reverend Brown School

The School Day Just Got Healthier!

Your child's school day just got healthier! Maschio's is committed to making a difference in your school. Your child will be satisfied with "right-sized" meals that include more fruits, vegetables, and whole grain-rich options. Good lifelong habits can be learned by making healthy food choices and engaging in proper physical activity now. Maschio's ensures your child has access to healthy and nutritious meals. Encourage them to try new foods and choose the healthy foods offered at lunch. Reinforce healthy eating by offering similar new foods at home.
